

M/A-COM Radio Family Added to the ClearCalm™ Advantage System

CALGARY, AB - (February 6, 2007) - Grayling Wireless USA, Inc. (Pink Sheets: GRYW) announced today that their **ClearCalm™ Advantage-S** system is now available for use with popular M/A-COM radios.

“Today we are pleased to announce that **ClearCalm™ Advantage-S** for Scott SCBA users has expanded its radio offerings to include M/A-COM’s popular Jaguar series of Land Mobile Radios. This new addition to our family significantly increases our addressable market” said Mario Mannella, EVP Marketing and Business Development at Grayling. “When combined with our existing Motorola and Kenwood radio availability, ClearCalm now offers superior in-mask communications to the vast majority of First Responders throughout North America.”

About GRYW:

Grayling, based in Calgary, Alberta, is an innovator and integrator of emerging technologies. Our goal is to seek out and evaluate growth opportunities, including mergers and acquisitions that add incremental shareholder value, extend the company’s market share and add to its technical competencies. Grayling will continue to bring market-ready technologies and services to its markets. For further information, visit www.gryw.com
