

GRAYLING™

Grayling Wireless USA, Inc. Announces the Engagement of Pilot Financial Communications

Calgary, Alberta, August 14, 2007 Grayling Wireless USA, Inc. (OTC:GRYW.PK) announced today that they have retained Pilot Financial Communications Network to provide their investor and public relations. Grayling Wireless is a Calgary based company that has developed and integrated emerging technologies in several markets. The most recent of those being a wireless communications solution to important needs of “First Responders” and “Hazardous Material Personnel” using self contained breathing apparatus in emergency situations.

Jeff Love, CEO of Grayling Wireless USA, was quoted as saying, “We are extremely pleased to retain the services of Pilot Financial Communications Network to develop a greater awareness of our company in the investment arena.” He went on to say, “The highly effective products that Grayling is responsible for producing are particularly timely in today’s emergency service dependent society.”

Rick Gean of Pilot said that, “The addition of Grayling Wireless USA to the portfolio of Pilot clients provides us with an excellent growth opportunity because of the highly qualified group of professionals and sensitivity to the needs of the emergency services market.”

About Grayling Wireless USA, Inc.

Grayling Wireless USA, Inc. (GRYW.PK) is an innovator and integrator of emerging technologies. Grayling was incorporated in July 2001 for the purpose of developing innovative wireless communications solutions for first responders required to wear SCBA (Self-Contained Breathing Apparatus). Grayling has completed business acquisitions that enhance the current and future product offerings of the company. They have attracted experts who bring technological and management strength to Grayling group of companies.
