

Strong Software Sales at Mid-Year

CALGARY, AB - (April 4, 2007) - Grayling Wireless USA, Inc. (Pink Sheets: GRYW) today provided an update for its Software Division.

Software Division

GRYW's Software Division continues to lead the way posting solid six-month revenues. Sentai Software has booked revenues of **\$ 2,044,355** (unaudited) for the first **six months** of the current fiscal year.

Sentai also reports that its annual users' conference will be held in Banff, Alberta, Canada from April 15-18. Conference 2007 provides an excellent opportunity to profile upcoming product releases for our core customer base and to gain invaluable feedback for new products and increased sales.

About GRYW:

Grayling, based in Calgary, Alberta, is an innovator and integrator of emerging technologies. Our goal is to seek out and evaluate growth opportunities, including mergers and acquisitions that add incremental shareholder value, extend the company's market share and add to its technical competencies. Grayling will continue to bring market-ready technologies and services to its markets. For further information, visit www.gryw.com
